CONSOLIDATED CHECKLIST C6 Part 5 of 5 parts

Interim Status Standards for Owners and Operators of Hazardous Waste Treatment, Storage, and Disposal Facilities 40 CFR Part 265, Subparts CC-EE, as of June 30, 1999 as published in the July 1, 1999 CFR

Note: Consolidated Checklist C6 is divided into five separate documents/computer files solely for ease of handling its printed and electronic versions. Consolidated Checklist C6 remains one checklist; States must adopt all five portions simultaneously to correctly use this Consolidated Checklist. Note, the prenotes and endnotes associated with each part have been placed with the part to which they apply.

Part 265 subpart CC was added by Revision Checklist 154.

At 265.1080(a), there is a typographical error in the December 6, 1994 rule of Revision Checklist 154 (59 <u>FR</u> 62896): "subparts" should be "subpart".

- Revision Checklist 163 (December 8, 1997; 62 <u>FR</u> 64636) revised and redesignated 265.1082(c) as 265.1082(d) and added a new paragraph at 265.1082(c).
- Beginning with the July 1, 1997 edition, the CFR contains a printing error which has 265.1082(c) printed as part of the 265.1082(b)(2)(iii) paragraph. A typographical insert of "I11" precedes the paragraph (c) indicator and should be removed and a new paragraph begun at "(c)".
- Although 265.1084(a)(3)(iii)(A) is included in the December 8, 1997 rule (62 <u>FR</u> 64636; Revision Checklist 163), there were no changes to the provision.
- Revision Checklist 163 (December 8, 1997; 62 <u>FR</u> 64636) revised and redesignated 265.1084(a)(3)(iv), except for the title, as 265.1084(a)(3)(iv)(A).
- At 265.1084(b)(3)(iii), there is a typographical error. The internal reference to "(b)(4)(iii)" should be "(a)(4)(iii)".
- There is a typographical error in the January 21, 1999, rule addressed by Revision Checklist 177 (64 FR 3382): "under either or the following conditions" should be "under either of the following conditions".
- States should be sure to add a new paragraph at 265.1085(h)(3)(i), and not replace 265.1085(i), which currently follows 265.1085(h)(3).
- The exception found at 265.1085(h)(3)(i) was originally introduced into the code by Revision Checklist 154 at 265.1085(h). Revision Checklist 177 revised 265.1085(h)(3), moved the exception to 265.1085(h)(3)(i), and added a new exception at 265.1085(h)(3)(ii).
- An error exists in the CFR beginning with the July 1, 1997 edition in that the paragraph is missing "(1)" to designate the first paragraph of the section.
- The December 8, 1997 rule $(63\underline{FR}\ 64636, Revision Checklist 163)$ contains a typographical error. The reference to "265.1084(c)(2)(i)-(iv)" should be "265.1083(c)(2)(i)-(vi)."
- There is an error in the <u>Federal Register</u> article for Revision Checklist 109 (57 <u>FR</u> 37194; August 18, 1992). The phrase "as needed to permit" should read "as needed to prevent."
